### Attendance at School

Parents are legally obliged that unless there is illness or some other acceptable reason for absence, children should attend school for each session during the prescribed school days of the academic year. Children are welcome to arrive on site from **8.40 a.m.** each morning. ***(Please note children should not be on site prior to this time there is no supervision available)***

### Reporting of Absences

#### Illness

**Parents are asked to inform the school office by 9.00am each day a child is unwell and will not be attending school – this can be via telephone, email or a message sent on MCAS.**

- A child who has been sick or who has diarrhoea should also be kept away from school until the child has been clear of the problem for 48 hours.
- Medical/dental appointments should be made out of school hours, however where this is not possible the school will require notification prior to the absence. When a child is absent for a medical appointment it is expected that they will return to school immediately following the appointment.

Please contact the office for further guidance on specific illnesses & required length of absence.

**It is crucial that parents adhere to this procedure to ensure that all pupils are safe and their whereabouts accounted for.**

### Long term Absences

Occasionally, some pupils experience health or other difficulties that prevent them from

**Dream, Believe, Aspire, Achieve**

attending school for some time. School deals with each case individually, agreeing procedures for re-integrating these pupils with each family as the need arises. Please contact the Headteacher if your child would benefit from such an arrangement.

### **Registration and Lateness Procedures**

A registration system is in place to record, in an accurate manner, attendance, lateness and absences. This complies with Government and L.A. guidelines.

- School's official starting time is **8:50 a.m.**
- Any child arriving after these times will therefore be registered with a late mark.
- Pupils arriving after 9:00am should report to the school office as they will be required to sign in, order a school dinner if required and provide a reason for the lateness.
- If a child arrives after registration closes (9.20am for all pupils) they will be marked as an unauthorised absence for the whole morning session. ***Note – this is based on the Education (Pupil Registration)(England) Regulations 2006 and could be used as evidence against parents if legal action were to be considered by the Local Authority under Section 444 of the Education Act 1996.***

### **Procedure for Arrival at Start of School Day**

- Pupils in Years 1 to 6 are expected to line up with their class in the Playground at 8.50 a.m. where they will be met by their teacher and escorted into class.
- Pupils in Reception Class wait with their parents outside the Reception Class door and will be let in by their teacher at 8.50 a.m.
- Gates to the playground will be locked at 9.00am
- Any child arriving after this time will need to report to the school office and follow lateness procedures.

**It is important that pupils are punctual and arrive prepared for the day's learning.**

### **Recording and use of Absence Data**

When a child fails to attend school for one or more sessions this will be recorded as an absence. Unless informed of the absence previously by a parent/guardian, the School Office Manager will phone home by 9.30 a.m. on the morning that a child is not in school. Absences will be shown as authorised or unauthorised, following authority guidelines. The school determines whether an absence is authorised or unauthorised using these guidelines.

When absences are unaccounted for, school will telephone and/or send a letter home to try to ensure all absences are explained.

Data is collected and subsequently collated. Attendance figures are published for individual pupils in their school report and/or at the end of each term. Where pupils' attendance causes concern the parameters and procedures as shown in the Pupils Punctuality and Attendance Policy Statement will be followed (Appendix A) and may be shared with other services. Attendance information is passed on when pupils transfer to other schools.

### **Leave of Absence from School during Term Time**

The Department for Education requires Local Authorities to implement government regulations regarding the taking of Leave of Absence in term-time, which came into force

on the 1st September 2013. The new law gives no entitlement to parents to take their child on holiday during term time.

**Headteachers would not be expected to class any term time holiday as exceptional. Therefore Headteachers will only be able to grant leave of absence in exceptional circumstances and this will still be at the discretion of the Headteacher. No parent/carer can demand leave of absence as of right.**

The Education Regulations state that applications must be made in advance by a parent/carer with whom the child lives and can only be authorised by the school in exceptional circumstances. Each leave application is considered individually by the school taking into account any factors presented by the family. Application forms are available from the school office. The headteacher will also welcome early discussion with you around potential applications.

The following are examples of the criteria for leave of absence, which may be considered as 'exceptional':

- Service personnel returning from active deployment
- Where leave is recommended as part of a parents' or child's rehabilitation from medical or emotional problems. Evidence must be provided.
- When a family needs to spend time together to support each other during or after a crisis

This is not an exhaustive list and Headteachers must consider the individual circumstances of each case when making a decision on this matter. Leave is only acceptable against exceptional circumstances and should not be granted on the basis of attendance record, academic performance or the 'experience' offered by being out of school. Where a headteacher feels that there may be exceptional circumstances which do not fit the criteria, they may refer to the local authority for advice. The decision of the Headteacher is, however, final.

**Please note that the ability to access a reduced cost of a holiday does not constitute an exceptional circumstance.**

Where a child is taken out of school for the purpose of leave of absence in term time without the permission of the school, the absence will be coded as unauthorised and as such may result in a Penalty Notice. Penalties are applied by the Local Authority and as such are not at the discretion of the headteacher. If a Penalty Notice is not paid, the matter may be taken to prosecution in the Magistrates Court.

Amendments to 2007 Penalty Notice regulations will reduce the timescales for paying a penalty notice. Parents must, from 1st September 2013, pay £60 within 21 days or £120 within 28 days. This brings attendance penalty notices in line with other types of penalty notices and allows local authorities to act faster on prosecution if the fine is not paid.

**It must be noted that taking a pupil on leave during term time interrupts teaching and learning and can disrupt your child's educational progress.**

### **Absences for part of the day**

From time to time, pupils show symptoms of illness at school. School will contact parents and other family members if a child needs to go home. School asks parents to ensure we have up to date contact names and telephone numbers for this purpose.

Parents are informed that they should not send children to school who seem unwell.

**Dream, Believe, Aspire, Achieve**

Pupils who are ill are often very distressed and illnesses are quickly spread. Guidelines for the return of recovering pupils are detailed in the school's Access to Education for Primary age Pupils with Medical Needs policy.

### **In the event of School Closure**

During winter months it occasionally becomes necessary to close the school due to adverse weather conditions. If this closure takes place at the start of the day it will be broadcast on *Yorkshire Coast Radio* and posted on the school Facebook page. If the weather or other conditions mean that a decision is taken to close school during the school day parents and guardians will be contacted and asked to collect their children as soon as possible. The school staff will remain on the premises until all children have been collected.
