

Wednesday French and Art

French

Please spend at least 30 minutes on Duolingo or Mem Rise - please get an adult to check the settings are correct on these apps. You should be using the child settings and beginners levels.

Art

Sketching. Using whatever materials you have to hand, sketch your nose. Watch the clip to help you with shape and proportion.

<https://www.youtube.com/watch?v=38lvbpppl0c>

Remember mistakes are part of the learning process and skill development - you will make some and that is important!
