DT - Food

I was really impressed with your cooking last week and the photographs you sent me were brilliant!

I would like you to make another dish.

- 1) Look in the cupboards and fridge and check the dates on the food. What needs using up first? That is what you will need to use.
- 2) What can you make from these ingredients? This website can help if you are really stuck!

<https://www.supercook.com/#/recipes>

- 3) Make your dish and share the recipe and a photograph of the finished plate with me.
