

Miss Thorpe's Lockdown Achievement celebration!

We've been in Lockdown for a long time now...and although things are beginning to become a little more normal, I have something I'd like you to do.

Now! I KNOW for a fact that you've all been doing lots of wonderful, exciting things with your families over the past 3 months. It could have been some school work, learning a new skill, practising an old skill or just doing something you love. Whatever it may be I WANT TO HEAR ABOUT IT.

Your project is to make yourself a celebratory trophy of your BIGGEST and BEST achievement during lockdown.

Please send any completed "Lockdown Achievement Awards" to lthorpe.airyhill@yeat.co.uk.

You can either: draw your own trophy/medal outline, make a 3D trophy or medal or use the outline I will attach on the next sheet. Colour/decorate it how you want! I'm so excited to see and celebrate all of your wonderful achievements. You deserve some credit!
