

Mrs Burns' School Cook Book

During Lockdown lots of you have had many more opportunities to spend time in the kitchen, and if some of your Airy Hill Country Show entries are anything to go by, you're cooking up a storm!

This would be a lovely time to think about all of the dishes you have cooked and the cakes, breads and biscuits you have baked and to pick your family favourites to be included in an Airy Hill School Cook Book!

All you need to do to join in this project is to write down your favourite recipe, including ingredients, equipment and method, and send it - along with a photograph (just the food please) and a short introduction as to who made the dish and why it is a favourite. Send your recipe and photo to eburns.airyhill@yeat.co.uk and we will compile our lockdown recipe book.

I know lots of you love cooking and I can't wait to try some of your recipes myself!

Mrs Burns
