

Hello Everyone

Our home learning for the next 2 weeks is all about helping our teachers in school get to know us. Lots of children are moving to a new classroom with a new teacher and it is really important that they get to know you, even though we can't be in school at the moment. We want to make sure you settle back into school quickly and plan activities that will interest you.

We would like you to tell your teacher all the important things about you that you think they need to know.

**This might be**

Who is in your family and the things you like to do together.

What are favourite toys, books and activities.

What pets do you have.

Things that you are really proud of, like riding a bike, being able to build models from Lego, drawing pictures, dancing, playing football or swimming.

Things that you are really interested in like dinosaurs, trains, drawing, Superheroes.

**You can let them know all about you by**

Drawing pictures

Taking photos or making videos

Making a book all about you

When you have finished put it on Tapestry and all your teachers will be able to look at it. ( We will be using Tapestry in Year 1 next year.)

**We can't wait to learn all about you**

**From Mrs Payne, Mrs Dickinson and Miss Locker**
