

## How does Airy Hill encourage learning at home?

### Reading

We encourage all children to read their school reading book **every day**  
Children should spend five minutes on doodle English as often as possible

### Spelling

Children should practice their weekly spellings by writing them down **every day**  
Children should spend five minutes on doodle spell as often as possible

### Maths

Children should use doodle tables to practise their times tables **every day**  
Children should use doodle maths as often as possible

### Wider Curriculum

Children should complete a project linked to their class topic

### Additional Home Learning

Occasionally parents/carers ask us to provide additional home learning. We recommend the use of independent study guides such as these from CGP. Your child's class teacher will be happy to suggest which guides would be most helpful for your child.
