UNICEF Rights Respecting Schools

Dear Parents and Carers,

I am very pleased to tell you that Airy Hill has embarked on the journey to becoming a 'Rights Respecting School'.

Together young people and the school community will learn about children's rights, putting them into practice every day. The Award is not just about what children do but also, importantly, what adults do. In Rights Respecting Schools children's rights are promoted and realised, adults and children work towards this goal together.

Four key outcomes are:

1. Children are healthier and happier
2. Children feel safe
3. Children have better relationships
4. Children become active and involved in school life and the wider world

Mrs Burns and our school council will be leading this project in school and we look forward to sharing our journey with you.

Thank you

Mrs Matthewman
