Home Learning Survey Response Jan 2021	
Thank you! Firstly, thank you so very much for the overwhelming number of positive responses we have received. As you can imagine, providing home learning as well as teaching children in school can be demanding, to say the least. Your words of appreciation and encouragement have made our hard work all the more worthwhile.	
We have attached a summary of the main questions to this document. Below are some of the actions we are taking to improve further in response to your suggestions.	
You saíd	
A lot of famílies would like a bit	we are altering our afternoon
A lot of famílíes would líke a bít less screen tíme and more	we are altering our afternoon sessions from Monday so that the
less screen time and more	we are altering our afternoon sessions from Monday so that the learning can take place at a time
	sessions from Monday so that the learning can take place at a time
less screen time and more flexibility to make the most of the	sessions from Monday so that the
less screen time and more flexibility to make the most of the daylight hours	sessíons from Monday so that the learning can take place at a time to suít you.
less screen time and more flexibility to make the most of the daylight hours It can be hard to know what to do	sessions from Monday so that the learning can take place at a time to suit you. teachers will provide a task
less screen time and more flexibility to make the most of the daylight hours It can be hard to know what to do if you miss the meeting or you	sessions from Monday so that the learning can take place at a time to suit you. teachers will provide a task summary in the Teams chat after
less screen time and more flexibility to make the most of the daylight hours It can be hard to know what to do if you miss the meeting or you have connectivity issues	sessions from Monday so that the learning can take place at a time to suit you. teachers will provide a task summary in the Teams chat after each meeting.
less screen time and more flexibility to make the most of the daylight hours It can be hard to know what to do if you miss the meeting or you have connectivity issues A small number of pupils would like Teams meetings to be kept open throughout the lesson so that	sessions from Monday so that the learning can take place at a time to suit you. teachers will provide a task summary in the Teams chat after each meeting. we can sometimes do that but even when we don't, we always monitor the chat during the
