

# Home Learning Survey

## Pupil Response

### Jan 2021

### Thank you!

We have had **30 responses** from children learning at home (**across Years 4, 5 and 6**),

**Thank you** for participating in the survey, your feedback is important to us!

### Results Summary

- 87% have a quiet space to work at home
- 86% of pupils are enjoying the work set
- 80% feel they can keep up with the work set by teachers
- 40% complete work in the time given every time, with 60% feeling able to complete the work in the time given some of the time.
- 57% of pupils say they know how to complete the work set every time with the remaining 43% feeling they know how to complete the work some of the time.
- 100% of pupils are happy that they know where to get help if they don't understand the work.
- 100% confirm they know how to stay safe online.
- 80% of pupils state that they are not feeling stressed about the work they have to complete.

**Below are some of the actions we are taking to improve further in response to your suggestions.**

You said....	We did...
Some of you have said you do not feel able to complete the work in the time given...	...we are altering our afternoon sessions from Monday so that the learning can take place at a time to suit you, this should also help you find some time to get outside and take a brain break!
Some of you don't feel you know how to complete the work some of the time...	...teachers will provide a task summary in the Teams chat after each meeting.
A few of you are feeling stressed or anxious about the work...	...we encourage you to take regular breaks, get outside when you can and undertake our weekly mental health activities.
