Dear Parents and Carers,

I am writing to you, as Chair of Governors, to thank you for all the hard work you are doing, in supporting your child's education, during this difficult time.

The Head Teacher and Staff are doing all they can to provide all the children with the learning they need whether they are in school or at home. I know many of you understand how much effort has gone into developing and delivering online resources from the wonderful comments we have received through our pupil and parent surveys. This is a new way of working at a very challenging time for parents and teachers alike.

I recognise that the COVID Pandemic has placed a great deal of pressure on parents and the staff at Airy Hill. It is important for us all to be especially kind, considerate and patient with each other even when sometimes things do not work as they should. I appreciate that we are all trying to do our best for our children.

In the spirit of working together if anyone has anything they wish to discuss about their children's learning or the school in general please contact us directly at admin.airyhill@yeat.co.uk and we will respond.

Yours Sincerely,

Andrew Hatchwell

Chair of Governors
