

# Airy Hill Community Primary School PE and Sport Funding Report 2016 - 2017

At Airy Hill Primary School we pride ourselves on our sporting provision and successful participation and achievements in community sporting events.

The Sports Funding will enable us to broaden the variety of sporting activities available within our school. We recognise that there are many benefits to ensuring that all children participate in sports and other physical activities. These include mental wellbeing, confidence, healthy lifestyles, team work and enjoyment.

Impact

The additional sports funding has enabled Airy Hill to widen the activities currently on offer therefore expanding pupils sporting experiences.

Airy Hill School is a very active member of the local Primary Sports Association and performs successfully within the local and wider community at sporting events throughout the year.

Staff are taking advantage of CPD being offered by Caedmon College Whitby as part of the Sports Partnership – this includes Gymnastics, Hockey, Dance and Swimming teaching.

Year 3 and Year 4 are having specialist dance coaching and will be taking part in a Dance Festival at the Spa in March 2017.

We represented Whitby and Ryedale at the North Yorkshire Youth Games in Girls Netball in July 2016 and Sports Hall Athletics in March 2017.

The additional tuition now available will further enhance pupils' success which in turn will have a positive effect on their confidence and general health and wellbeing.

We were awarded Sainsbury's Schools Sports Gold Mark in August 2016.
