Part A: Pupil premium strategy plan

Statement of intent

At Airy Hill, we aim for all of our students to become rights-respecting citizens who have a secure understanding of reading, writing and mathematics when they leave us at the end of Year 6. We intend that all our children have high-quality learning experiences from staff who have the most up-to-date pedagogical approaches to learning to ensure that every child succeeds and that they are the best they can be. Whilst at Airy Hill, we will ensure that disadvantaged pupils will have the same school experiences and enrichment as their peers. Our pupils will have opportunities to be leaders as right respecting ambassadors, prefects or supervisors. They will take part in art, forest school activities and compete against other schools in sport. They will be supported no matter their level of need, and they will achieve well at Airy Hill opening doors to success in their next stage of education.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Attendance of pupil premium children was lower than that of non-pupil premium children (89%) during 2023-24.
2	Pupil premium pupils did not attain as well as non-PP pupils despite having positive progress scores for reading, writing and maths at the end of KS2.
3	Reduced access to high quality enrichment activities due to financial constraints
4	Poor mental health due to the COVID pandemic
5	Multiple barriers to learning. Including low self-worth, some have a SEND, P/LAC or CIN/CP need.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
For all disadvantaged pupils to attend school regularly and on time.	• Focus from teachers, and the designated attendance officer on PP pupils. • Attendance of targeted pupils will improve to be in-line with all pupils.

For disadvantaged pupils who do not have a cognitive SEND to reach age-related expectation in reading, writing and mathematics and for 100% of pupils to meet the expectations for Year 1 and 2 phonics check.	• 100% of non-SEND disadvantaged pupils meet the requirements of the phonics screening check. • 100% of non-SEND disadvantaged pupils to reach at least ARE in RWM
For disadvantaged pupils to have access to the same high-quality enrichment and extra-curricular opportunities as their non-PP equivalent pupils.	• All disadvantaged pupils to attend residential visits during years 4,5 and 6. • All disadvantaged pupils will take part in a specialist club or music tuition. • All disadvantaged pupils to attend at least two trips to a destination to widen their knowledge and experiences in-line with their peers. • 5% of all disadvantaged pupils will take part in an end of year performance or will perform with the choir. • All disadvantaged pupils will take part in sports competitions/festivals against/with other schools. • All disadvantaged pupils will take part in at least a half-term of swimming lessons. • 10% of all disadvantaged pupils will take part in a surf session. • All disadvantaged pupils in year 6 will be provided with a study book. • All disadvantaged pupils will attend additional tutoring in Year 6.
Poor mental health due to the COVID pandemic and poor resilience	• All disadvantaged pupils to be provided with focused teacher support. • All disadvantaged pupils to have access to the target table to improve resilience. • Focused teaching assistant intervention increases resilience and attainment of disadvantaged pupils. • Disadvantaged pupils requiring additional support through school counselling will receive this support. • Pupils with mental health issues to be supported by SENDCo support and support from SEND hub.
Multiple barriers to learning. Including low self-worth, some have a SEND, P/LAC or CIN/CP need.	• A systematic approach to those who have a SEND, P/LAC or subject to a CIN/CP plan and are in receipt of PPG

	will have: • EHCP/Personalised learning plan/SEND plan. • Access to forest school. • All disadvantaged students with SEND/PLAC/CP involvement to receive 1:1/small group interventions to increase attainment. • Pupils with barriers such as mental health and anxiety to receive Thrive intervention alongside other interventions such as the NHS emotional resilience team.
